

ANGEBOT / OFFER 704

Typ: ILLIG RDM 63/10

Technical Dates

Max. forming area	665 x 305 mm
Max. material width	685 mm
Max. feed length	320 mm
Max. mould closing force	12000 da N
Max. deep of draw	100 mm
Max. reel dia.	1200 mm
Connected load - top heater	12,2 kW
Connected load - bottom heater	10,7 kW
Heat dissipation – top heater	13.180 kJ/h
Heat conduction – bottom heater	24.740 kJ/h
Overall connected load without bottom heater	15,5 kW
Air requirement per cycle at 6 bar	110 l
Cooling water consumption approx.	1,2 m ³ /h
Length of machine with stack. Chute reel	5975 mm
With of machine	2640 mm
Overall machine height	2.400 mm
Overall machine weigth max.	3.500 kg

Price 35.000 Euro ex works
